Uniform DoP 2→40
DS2
Dhalion
Flink
Spark
Storm
RisingWave
Spark: small gains (≤1.26×); tuners trade throughput for lower latency
RisingWave: flat
Storm: 1.8× throughput at 1.2× latency
Flink: up to 1.5× throughput, but up to 1.8× latency; tuners: 2.2–3.7× latency
40
